FEDERAL COMMUNICATIONS COMMISSION

ORDER

Adopted: March 30, 2007

Released: March 30, 2007

By the Chief, Wireless Telecommunications Bureau:

1. On March 29, 2007, CTIA—The Wireless Association@ (CTIA) filed a motion for extension of time to file a reply to the Consolidated Opposition of M2Z Networks, Inc. to Petitions to Deny and the Consolidated Motion of M2Z Networks, Inc. to Strike and Dismiss Petitions to Deny and Alternative Proposals. Under section 1.46(a) of the Commission's rules,¹ it is the policy of the Commission that extensions of time shall not be routinely granted, and we do not find the circumstances in this case warrant granting an extension.

2. Accordingly, IT IS ORDERED, that the motion for extension filed by CTIA is DENIED.

3. This action is taken under delegated authority pursuant to Sections 0.131 and 0.331 of the Commission's rules, 47 C.F.R. §§ 0.131, 0.331.
